KIRKHAM IRONTECH

Starting today, you can request IT support directly through our desktop application!

What are the benefits of chat?

Ease of Access
More convenient than traditional phone and email methods.

Quick Connection
Faster access to real people for immediate assistance.

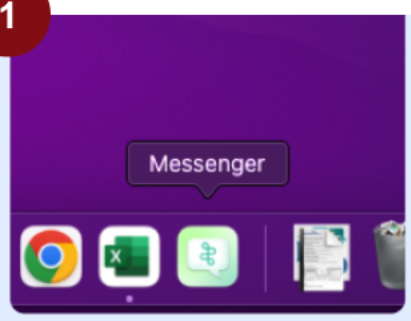

Workplace Integration
Keep up-to-date with issue statuses right within your desktop app.

Efficient Problem Resolution
Solve issues and monitor progress in real-time.

Uninterrupted Productivity
Address support needs without the disruption of prolonged phone calls.

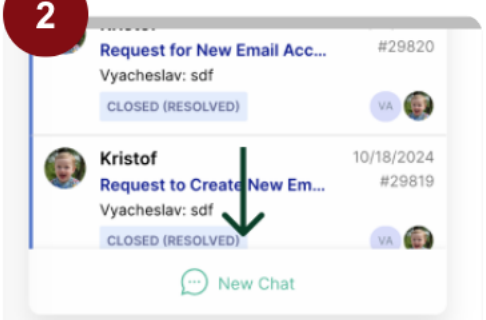

How to get started?

1

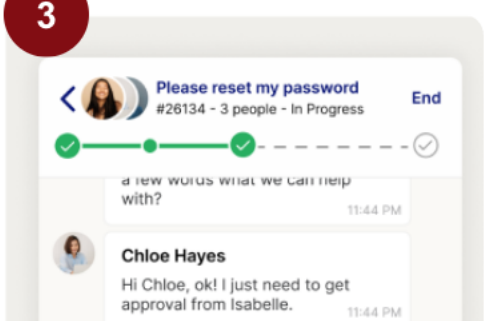

Open the app
Open the KIT Assist Messenger app on your Desktop.

2

Start a new chat
Simply start a "New Chat" to quickly get live support.

3

Track your conversation
From there, you can track updates and responses in real-time.

That's it!

Need assistance? We're only a click away!
